To our wonderful patients,

We hope you are enjoying the summer weather and able to take some time with family or friends. The medical landscape and needs of patients are evolving. This letter is a notification of upcoming changes for Pacific Women's Center starting Fall 2023.

Moving to a New Location

Our founders **Dr. Beyerlein** and **Dr. Stenshoel** will relocate to 911 Country Club Road, Suite 222, Eugene, Oregon 97401 where they will provide gynecological care for all phases of a women's life. They hope by returning to a smaller office practice patients will have easier accessibility and communication with their own doctor.

Staying at the Ten Coburg Location

Drs. Haugen, Edwards, Betterton, Gerhards, Wakefield and **Williams**, will remain in the current location providing both obstetrical and gynecological care. To best provide these services to our community, they will be joining Women's Care. With this new collaboration, they hope to expand access and provide more expeditious care to better serve their patients' needs.
